## 2009 SUMMER READING PROGRAM & CALENDAR OF EVENTS Registration beginning June 20

Welcome to "Be Creative" Vermont's 2009 statewide summer reading program. Our goal this summer is to promote reading and listening skills and to have fun celebrating our creativity.

Our summer reading program is open to everyone, not just children who read on their own, but also those who are read to by parents, grandparents, siblings and caregivers. All you have to do is register at the Children's Room at the Athenaeum for a reading log and keep track of the books you read over the summer (any books qualify, not just library books). We are also asking if a baby picture of the participant could be provided for a planned event. Reading logs will be available at the Children's Circulation Desk beginning June 22nd. At the final party on August 3rd every child who has read at least one book will receive a special certificate. TD Banknorth is once again generously offering a \$10.00 savings account for any child reading 10 books.

During the month of July, many programs will be offered. We will be making special craft projects, and watching some special programs, including a great magician!

Teachers, librarians and parents know the importance of maintaining the reading habit during the summer months and we would like to help your child discover a lifelong love of books and reading. We hope to see you and your children at the library this summer.

Gloria Molinaroli  
Children's Librarian  
St. Johnsbury Athenaeum
